Summary

Dedicated and skilled ReactJS developer experienced in designing and implementing highly responsive user interfaces and web applications. Proficient in JavaScript, HTML, and CSS, with a deep understanding of ReactJS principles and best practices. Experienced in integrating RESTful APIs and third-party libraries to enhance application functionality. Skilled in NodeJS for handling back-end tasks, bringing a comprehensive understanding of full-stack development. Strong problem-solving abilities and a passion for delivering high-quality code. Adept at collaborating with cross-functional teams to translate business requirements into technical solutions. Committed to staying updated with the latest technologies and trends in front-end and full-stack development. Ready to leverage expertise in JavaScript to contribute to innovative projects and drive organizational success.

Experience
